- Recommend Colour System
 - Green = Blocker
 - Red = Blitzzer
 - Yellow = Catcher
 - White = Thrower
 - Grey/Black = Lineman
- A penalty of -10 tournament points may be applied for each game played by a team deemed insufficiently painted at the T/O's discretion. If in doubt please reach out ahead of the tournament
- Please if you don't have a team ask to borrow one instead of ruling yourself out of coming. You will find Blood Bowlers are a very generous community and many of us have far too many teams, you are bound to find someone with the race your heart desires to play

- **NO PITCH**

- Pitches have been provided for every table

- **DICE**

- 3 Block, 2 D6, D8 and D16 will be provided

TOURNAMENT SOFTWARE

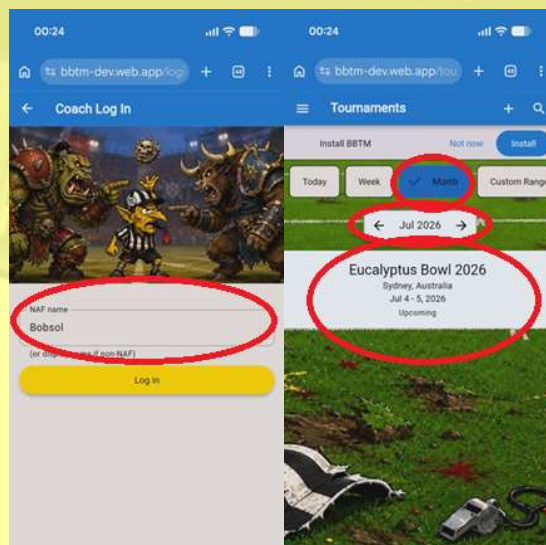

We will be using BBTM, which is a web based tournament program

BB Tournament Manager

You do not need to create an account. Simply login using your NAF Name. Select the Coach Option

Enter your NAF Name and Log In. Then Find Eucalyptus Bowl 2026 using the date panels above and scrolling to Jul 2026.

TOURNAMENT SOFTWARE

From 07:00 on Saturday 4th July, mark yourself in attendance via App

If you are having any issues, please present yourself to the TO between 07:45-08:00

It is vital we know who is playing before we do the draw, with things kicking off with Game 1 at 08:00

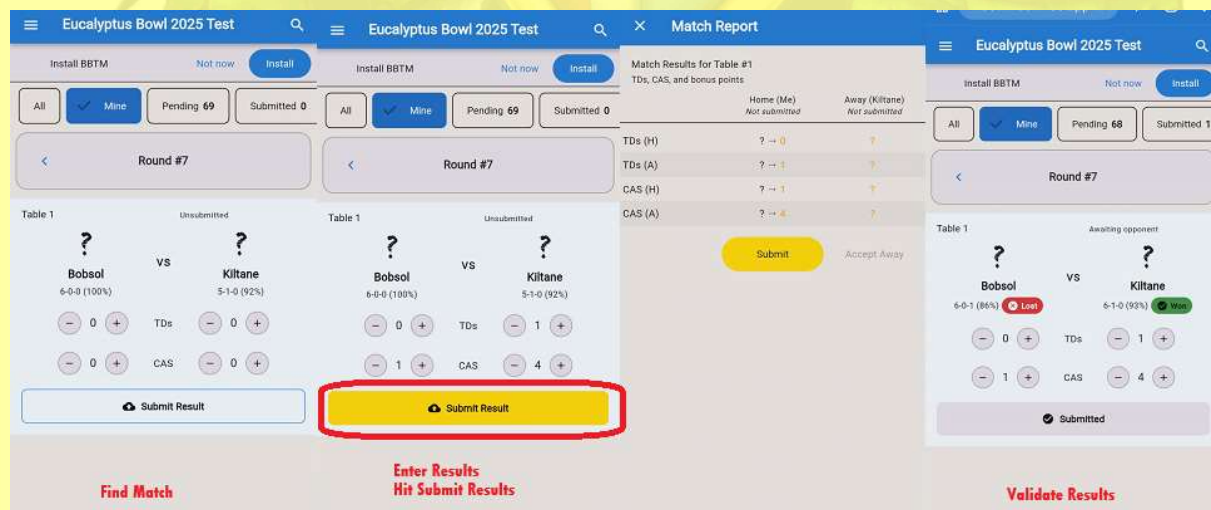

At the conclusion of your game, Both coaches should enter the TDs and Cas for their game and Submit result

As long as both these match up the game will be recorded

If there are any discrepancies it will flag to the TO and we can determine the correct result

If you are having difficulties using the program, please present yourself to the TO and verbally give the result of your game, which will be manually entered

GAME LENGTH

EACH GAME IS 2 HOURS 20 MINUTES

- The TO reserves the right to call any games dice down that run over time and determine the likely outcome of the game
- Players who the TO determines are consistently playing slowly to the detriment of their opponents may have results overturned or tournament point penalties imposed
- Players are asked to download a Chess Clock App on their phones for potential use in the tournament

https://play.google.com/store/apps/details?id=studio.vincent.bbca&hl=en_AU&pli=1

- If used at start of the game, Chess Clocks should have 1 hr and 5 mins allocated to each player
- If 1 hour remaining and coaches have not commenced the 2nd half, Chess Clocks are mandatory
- Should you run out of your allocated time while using a Chess Clock the official tournament ruling is to apply what follows :
 - 20 Minutes Remaining
 - Coach with no time is permitted 2 minute turns
 - 10 Minutes Remaining
 - Turns 1-6 2nd Half
 - The player with no time is permitted to stand up prone players and roll over stunned players
 - If one of your players is holding the ball, they are able to make a Move or Blitz action. This must be completed without delay
 - Turn 7-8 2nd Half
 - The player with no time is permitted 1 min turns
- Gentlepersons' agreements are permitted in that your opponent may graciously allow you to play as normal, as long as the round has not been called
However, they are under no obligation to do so and should not feel bullied or pressured in any way. In coming to Eucalyptus Bowl, players agree that the T/O will apply reasonable and fair rulings to the best of his ability

ETIQUETTE

RULES QUERIES

The TO will be on-site throughout proceedings and may be called upon to settle disputes that cannot be amicably resolved by referring to the rulebook as they occur. The TO's ruling will be made in good faith and, in all cases, is final – his decision should be accepted in good grace, even if you are convinced that the wrong decision has been made. No exceptions!

COCKED DICE

All cocked dice are to be re-rolled, no exceptions. Cocked dice include those that do not finish up on the gaming table or are 'even a little bit' off lying flat on the table. Both coaches should agree when a dice is legally rolled or has to be rerolled. Dice cups or trays are recommended to avoid any collisions between dice and miniatures

PRONE / STUNNED PLAYERS

It is asked that coaches lie their miniatures down (where possible) to indicate when a player is Prone (face up) and Stunned (face down) . Prone / Stunned markers are optional.

TAKING MOVES BACK

If a coach has moved a player and then finishes moving another player (i.e. starts moving a 3rd player), the first player cannot have his move taken back. When rolling dice, once you have rolled a die, it "cements" that player's movement/action

THAT PLAYER ALREDY MOVED!

In tournament play, the convention is that a player's facing will change once it has completed a move - hence you should be able to look and see everyone who has moved at any point. It is recommended to make sure that all miniatures are facing the same direction at the end of your team turn to avoid confusion

ATTENDENCE

Any coach who does not attend a scheduled match at the scheduled time (plus up to 20 minutes at the TO's discretion) will be treated as conceding the match, with effects as per the CRP. The game will be recorded as a 2TD, 2 CAS victory!

CODE OF CONDUCT

Some of you may have read the Code of Conduct published by Games Workshop as part of the Matched Play Guide. We will officially apply two rules from that Code:

- Always be polite and respectful to your opponent, referees and staff at all times
- Always tell the truth and never cheat

ALCOHOL

SAFE AND RESPONSIBLE CONSUMPTION OF ALCOHOL

Eucalyptus Bowl has a bar on site, for those who wish to drink while they play. Although there has not been any strict ruling placed on our event by the venue, we would ask those who decide to drink over the Eucalyptus Bowl weekend (including on Friday and Saturday night) to follow the guidelines below

DRINK RESPONSIBLY

If you choose to drink, do so in moderation. Know your limits and respect them. Excessive drinking that affects your behaviour, gameplay, or interactions with others is unacceptable. The Blood Bowl should come first!

LOOK OUT FOR EACH OTHER

If you see someone who has had too much to drink, step in appropriately. Help them get home safely or seek assistance from the TO

NO PRESSURE

Never pressure anyone to drink. Respect those who choose not to consume alcohol for any reason

BEHAVIOUR OUTSIDE THE VENUE

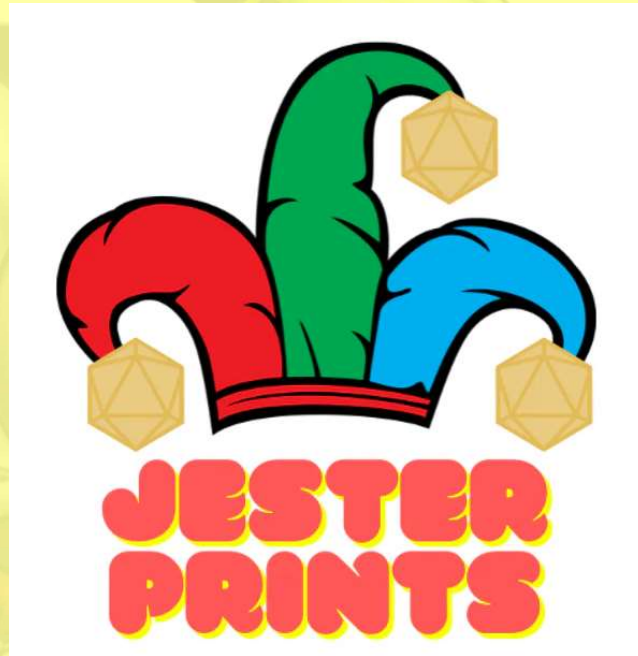

We will be arranging social activities for any coaches wishing to attend on both Friday and Saturday night. Your conduct in public spaces, restaurants, accommodations, and anywhere you represent our community matters just as much as your behaviour at the venue

POOR CONDUCT

Whether alcohol-related or not - reflects poorly on our entire community and can drive away current and potential members. Your participation at Eucalyptus Bowl means you agree to uphold these standards

Failure to do so may result in removal from the event
